

St. Margaret's CE Primary School

Weekly Update 5th June 2020

WHAT'S BEEN HAPPENING THIS WEEK?

We were disappointed not to be welcoming Year 1 and Reception children back into school this week. A lot of work has gone into reorganising classrooms and shared facilities as well as setting up new routines, to ensure that school can be as safe as possible for all who are on site.

Our key worker children have been getting used to some of those new routines; they have been dropped off and collected from the main gate, they have been working in smaller bubble groups and have been having their lunch delivered to them at their table in class!

Eliza, Iona and Issy reported that some of the new ways of working are fun. Lunchtime is a bit like having breakfast in bed and they like having their own learning space and their own pencils etc. They are missing their class mates but have enjoyed making new friends too. Issy is a bit disappointed that they are not sitting in real bubbles!!

Work in school this week has included celebrating the anniversary of the Queen's Coronation and following the '30 Days of Wild' challenges set by the Wildlife Trust.

I hope you have been learning and having fun at home and can't wait to get all of you back to school as soon as we can.

St. Margaret's CE Primary School

Weekly Update 3rd June 2020

The children have been listening to the story of Pentecost this week, when Jesus sent the gift of the Holy Spirit to his friends.

E-Safety

Mrs Stoker has uploaded an information leaflet to the e-safety section of the school website, which highlights the importance of cleaning your electronic devices regularly to stop the spreading of Covid 19. Please click on the link below to take you to this important advice.
