

## Home Learning Activities – Week 8

Good morning Year 4. How are you doing? Keep letting us know what you've been up to and sharing your latest drawing or work with us. We love hearing from you on Dojo! This week we will be continuing to use the Oak Academy lessons for English. To access the Oak Academy lessons all children need is a pencil, paper and a quiet space to work. However, for those of you who have access to a printer, we have created some supporting resources (mostly taken from the lesson slides) so that you can record your answers, highlight parts of the text and make use of word banks. We hope you enjoy the activities we have planned for the week ahead. There are offline alternatives also listed below.
