Weekly Update 25th September 2020

Photographs

The photographer will be in school on Wednesday 30th September to take individual photos for **Reception and Year 6 children only**. This is due to restrictions in place to keep everyone safe. Hopefully group/ class photos will be able to take place later on in the year.

Today we celebrated the European Day of Languages.

Thank you to all the parents who sent in videos and power points in their home languages to share with the children.

Our children have taken part in a variety of activities, broadening their knowledge and understanding of different countries and cultures.

This week we have been thinking about showing care and understanding to our friends. We have linked this to the European Day of Modern Languages and celebrating understanding between different cultures and countries.

The children listened to the story of The Tower of Babel from the Old Testament.

Best wishes to the following pupils who are celebrating a birthday this week:

Sol Clara Leia Olivia

Parking in Geoffry Avenue

For some days now the council have been replacing the footpaths on Geoffry Avenue. This has not only meant that half of that street is cordoned off for parking, but also that it gets full of tractors, diggers and assorted machinery. There are many potential hazards for our children and families around this area at present. Extra vigilance is required and if at all possible, please find an alternative place to park, until the works are complete. Thank you for your co-operation in this matter.
