Children's Mental Health Week

This is a really difficult time for many of our children. Next week has been designated as Children's Mental Health Week. Mrs Knox has posted a quick Thrive based activity for every day of the week into the Google Classroom 'Thrive and Well-being' folders. We hope that your children will enjoy them.

In order to ensure that all children have access to a wide range of texts whilst they aren't in school, we have purchased a subscription to the Oxford Reading Tree e-library. The library provides access to the reading scheme that we use in school. This is primarily for children in KS2 as the children in EFYS and KS1 are able to access reading books through Nelson Bug Club. An e – mail has been sent out, which contains more details about the e-library and how to access it.
