Weekly Update 26th February 2021

Return on 8th March

We can't wait to see all of our children back a week on Monday. An email has gone home this week highlighting all the arrangements for the return. Please let the office know if you have any questions at all about it and please complete the survey attached to the email, which will be useful feedback for teachers in planning their recovery curriculum.

Please find below a link to a letter for parents and carers from Gavin Williamson MP regarding the return to school.

World Book Day

We are celebrating World Book Day on Thursday 4th March. The theme is funny stories and poems as we all need cheering up! A letter from Mrs Frew has gone out this week via Operoo with all the details. Attached to this is an e-book voucher. Year 4 will be attempting to break a World Record, by creating the longest online reading relay on this day to tie in with the launch of Mrs Pearson's new book, The Incredible Record Smashers.

British Values

Year 3 and Year 6 took part in an interactive virtual lesson with Parliament UK this week. Year 3 learnt about democracy, the role of MPs, the structure of The House of Commons and The House of Lords. Year 6 learnt about the way that Bills are proposed and laws debated. It was really interesting! We were able to relate this to our every day life, and how we use our school council system in school to ensure all our voices are heard and represented. It was like being on a virtual school trip!

Best wishes to the following pupils who are celebrating a birthday this week:

Sebastian S	Rory M	Samuel J
Athena H	Kelty W	
Naomi L	Florence B
