Weekly Update 7th May 2021

Testing Reminder for Parents and Carers.

Does anyone in your household have coronavirus symptoms and need a test?

If anyone in your household has symptoms you need to book a PCR (Polymerase Chain Reaction) test as soon as possible. For more information and to book a PCR test visit www.gov.uk/get-coronavirus-test or call NHS test and trace free on 119

As coronavirus symptoms in children can vary it is advised that children who are unwell should not attend school until they are well again.

If you have difficulty accessing a PCR test your school may be able to help, as most schools retain a small stock of these tests.

Alternatively Durham County Council offers support to people seeking further advice about coronavirus through the County Durham Together Community Hub, details of which can be found at www.durham.gov.uk/covid19help or by phoning 03000 260 260.

Virtual Skipping week

We are all very excited to start the virtual skipping week next week, which is called 'Skip into Spring'!

The aim of this project is to inspire and engage children to get active and have fun, and create sustainable activity levels and boost self esteem, confidence and overall wellbeing.

We have recently had some skipping ropes delivered from Skipping School for each year group and we are looking forward to getting started on Monday!

We would also like all children to come into school every day next week wearing shoes that are suitable for skipping.

Allergies

Please can we remind you that no nuts or seeds are allowed in school due to some of our children having severe allergies, this includes cereal bars and bread that may contain nuts or seeds. Please bear this in mind when preparing your child's packed lunch or break time snack.
