Weekly Update 11th June 2021

Communication with School

Please could you ensure that you leave a message with the office if your child is not going to be at Tea Club, rather than relying on your child to pass this on! You can email or ring the office. If the phones are busy, please leave a message.

If you have a message that needs passing on before the end of the day, please could you make sure that you contact school before 2.30pm. This ensures plenty of time to pass on messages to class teachers prior to getting ready for home time. Classes begin to leave from 3pm.

Thank you for your co-operation in this matter.

Art's Week

As we are sadly unable to invite parents into school at present, Mrs Bell has made a video to enable you to admire the wonderful Art work completed by the children during Art's Week. Please log onto Class Dojo to view it.

Survey

Thank you to all who completed our recent Parent Survey. 90% of parents supported the proposed changes to the end of the school day. This will be discussed at our Full Governing Body Meeting next week and a decision taken following the end of our consultation. A detailed response to the survey will be shared with you next week.
