

# St. Margaret's CE Primary School

Weekly Update 25th June 2021

## The Big Play

Congratulations to all of our musicians, who took part in the Big Play, earlier this week. Our children joined with thousands across the County to celebrate the joy that making music can bring.

## Sports Report

On Thursday our Y6 Girl's Team were in action in a friendly match against Nevilles Cross. It was a good game, ending in a 1-1 draw. The girls played brilliantly as a team and demonstrated excellent sportsmanship.

## Covid

Regrettably, our Y5 bubble has had to isolate this week. This has been hard on them and our thoughts go out to all the children and staff. Please please please, arrange for your child to have a pcr test if they have any of the following symptoms:

- temperature
- Loss of taste or smell
- New or continuous cough

Children may also appear to have other childhood illnesses, eg tummy bug or cold. If they have any of the above symptoms alongside, it could well be Covid. This is particularly virulent around our county at present. Please follow the national guidance– wear a mask at the gate and socially distance from other adults.

## Water Bottles

Please ensure that your child brings a filled water bottle to school. It is so important to keep hydrated, particularly in this hot weather.

## Reception/Y6 Photographs

June 30th is the last date for ordering class photographs if you require free postage and packing. You can order on-line after this date, but you will be charged for postage.

Chengzong S

Milo N

Georgia P

James G

Jessica B

John-Mark S

The Walk and Talk Trust is a local charity set up by a family with links to St. Margaret's. They are raising money to buy walking boots for disadvantaged children in the region, acknowledging the health benefits, both physically and mentally, of walking. If you are interested in joining in one of their local fundraising walks, please check out their website:
