

Dear Parents,

We hope you have enjoyed your summer and that your child is looking forward to their time in Year Six. We are hoping that this year will be a little more 'normal' than the previous years and we are looking forward to the wider opportunities that this will provide.

Communication

The children have been provided with a weekly diary/planner that they will record any important information in. If you wish to speak to any of the teachers in Year Six, please contact the school office and we will endeavour to respond as soon as possible.

Topics this term

English: This term we will be looking at the class novel 'My Friend the Enemy' by Dan Smith. We will be looking at the features of this novel but also will explore: characters and settings; effective vocabulary and grammar choices. The punctuation and grammar focus will be relative clauses and pronouns, modal verbs, brackets, dashes and commas. We will also be revising the use of basic punctuation and sentence structure.

This year, we will continue to use to SpellZone, an education spelling program which tailors an individualised spelling scheme for your child. Your child will be given their spellings for the week every Monday and these spellings will also be on Spellzone. We would also encourage children to continue to learn the Y3/4 spelling list (which is also on Spellzone). Handwriting continues to be an important focus this year and a joined, fluent, consistent style is encouraged. All children will write in pen during the year and regular practice at home would be helpful.

A reading list for Year Six has also been attached. The list is intended to provide guidance about age appropriate books. It is also intended to help encourage your child to read a wider variety of genres and authors. We encourage the children to try reading some of the books from this list or to read them with someone at home. These books are all available to borrow from the school library. Each child will be able to borrow two books from the library. One is to remain at school while the other may be taken home. Books can be returned to the library on a Monday, Wednesday, Thursday and Friday.

Maths: This term, we will be using short pre-assessments and our own teacher observations to help us identify any objectives from the previous year which may require further consolidation before moving on to more advanced content. Alongside this, we will be covering the following objectives from the Year 6 curriculum:

Number - Place Value:

Numbers to 10 million; Compare and order any number; Round any numbers; Negative numbers (in context); Negative numbers (more abstract).

Number - Addition, subtraction, multiplication and division:

Add and subtract integers; Multiply up to 4-digit by 2-digit number; Short division; Division using factors; Long division; Common factors and multiples; Prime numbers to 100; Squares and cubes; Order of operations; Mental calculations and estimation.

Number - Fractions

Simplify fractions; Fractions on a number line; Compare & order (denominator); Compare & order (numerator); Add & subtract fractions; Multiply fractions by integers; Multiply fractions by fractions; Divide fractions by integers; Four rules with fractions; Fraction of an amount; Fraction of an amount - find the whole.

Geometry - Position and direction

Coordinates in the first quadrant; Coordinate in four quadrants; Translations; Reflections.

In order to help all children acquire the knowledge, understanding and skills that they need, a longer amount of time will be spent upon building key concepts and securing fluency with number facts.

Science -Light (Physics) and Electricity (Physics)

History - World War I and II.

Computing - E-safety, Programming and Spreadsheets.

Art - Henry Moore sketches and sculptures

D&T - Designing a shelter.

RE - 'Religions diversity in our area' and 'What can we find out about a local Muslim community?'

French - 'Actions' and 'In France'.

Music - Soul Music

PSHCE/RSE - This term in PSHE our topic is Health and Wellbeing. We will start by looking at how our responsibilities grow as we get older, moving on to looking at how we are responsible for ensuring we have a balanced lifestyle and what this entails. We will then look at how our behaviour and choices are influenced by a range of sources, including our peers and the media. We will end the term by looking at the facts and science relating to vaccinations - exploring the life of Edward Jenner and how immunisations were first developed. If you have any questions or concerns about any of these topics, please don't hesitate to contact us.

Dates

October Half term: Friday 22nd October - Monday 1st November

Derwent Hill Residential 1st- 5th November 2021

Timetable

Please find attached a copy of our timetable. This is to give you an idea about what your child has learned each day but is subject to change (other than PE).

This year our PE day is a Thursday. Please remember that your child should come to school already dressed for PE in line with our changes. Our class will continue to access Forest Schools throughout the year and we will let you know in advance so that appropriate clothing can be worn to school on those days.

Homework

In Year 6, children will receive Maths and English homework on a Wednesday, to be completed by the following Monday. In addition to our English and Maths homework, we ask that you read with your child

for 10 to 15 minutes each night. Fostering a life-long love of reading is our main focus and so we encourage you to also read **to** your child, discussing the book you are reading - this may include character intent [Why did he say that?] but also your own responses to the plot [I don't think I could have done that because...] Whether they have read to you or you to them, *please can you encourage your child to regularly update their reading record in their weekly diary and then can you initial it each week as a check.* Children should have their school reading book in their bag on a daily basis to enable us to listen to them read.

We hope your child will enjoy their year in Year 6. If you have any queries, please do not hesitate to contact us.

Yours sincerely

Mrs. C. Frew, Miss Pringle and Mrs. C. Black
