Weekly Update 17.06.2022

## Eco-Fest

Thank you to all of the children from our school choir, who came along to open the St. John's Church Eco Fest with two beautiful and very relevant songs. You sang with gusto and answered Fr. Barnaby was very impressed with your responses to his questions afterwards! It was lovely to see so many of our families supporting and enjoying this event.

## Sports Report

### **Netball**

Congratulations once again to our netball teams this week. We have entered two teams into the league, both of which performed well and played a particularly competitive match against each other!

### **Durham Dash**

We were delighted to see the return of the Durham Dash this week. We were able to enter a team of 32 children, some of whom competed in the running race and some of whom competed in the field events. All children performed brilliantly and represented their school well, showing great sportsmanship and resilience. It was a great event, enjoyed by the children, their parents and the staff. Congratulations to Ellie R, Maja, Ellie T, Thom and Elliot K, who all won a medal.

## Railway poster competition

Please find an exciting opportunity for children to participate in the Railway Posters exhibition that is being held at Ushaw Historic House and Gardens attached to this update. Children are invited to create a poster based on a place that is special or inspiring to them. They hope to include as many as possible entries in their exhibition for all to come and see.
